

MANIFESTO BLIND DATE CHALLENGE

20.8.-7.10.

We invite you to a manifesto writing blind date challenge! Take part by answering the 6 question on the backside of this card. Based on your responses our smart algorithm will match you with a stranger who will be the perfect fit for your manifesto writing ambitions. Taidehalli puts you in touch with each other for a meet-up at a location of your choice. Your challenge will be to co-author a manifesto. What should your manifesto be about? What are the goals and strategies you can agree upon?

Bring your manifesto draft to one of the workshop days (18.9. or 23.9.) where The Speech Karaoke Action Group will help you polish it. The final version of your joint manifesto will be recorded for posterity into the speech karaoke system and performed at a special MANIFESTO SPEECH KARAOKE NIGHT on October 7th.
